There has been no non-compliance with requirements of regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.
- iv We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
- v Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

We also confirm that all significant post-employment benefits have been identified and properly accounted for.
- ix Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of the Code.
- x All events subsequent to the date of the financial statements and for which the Code requires adjustment or disclosure have been adjusted or disclosed.
- xi Actual or possible litigation and claims have been accounted for and disclosed in accordance with the requirements of the Code.
- xii We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions and are free of material misstatements, including omissions.
- xiii We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.
