Dear Councillor Wilkins,

**Cotswold district Council Financial Statements for the year end 31 March 2018**

**Understanding how the Audit Committee gains assurance from management**

To comply with International Auditing Standards, each year we need to refresh our understanding of how the Audit Committee gains assurance over management processes and arrangements.

I would be grateful, therefore, if you could write to me with your responses to the following questions.

- 1 How does the Audit Committee oversee management's processes in relation to:
  - carrying out an assessment of the risk the financial statements may be materially misstated due to fraud or error
  - identifying and responding to the risk of breaches of internal control
  - identifying and responding to risks of fraud in the organisation ( including any specific risks of fraud which management have identified or that have been brought to its attention, or classes of transactions, account balances, or disclosure for which a risk of fraud is likely to exist)
  - communicating to employees its views on appropriate business practice and ethical behavior (for example by updating, communicating and monitoring against the codes of conduct)?
- 2 Do you have knowledge of any actual, suspected or alleged frauds? If so, please provide details.
- 3 How does the Audit Committee gain assurance that all relevant laws and regulations have been complied with?
- 4 Are you aware of any actual or potential litigation or claims that would affect the financial statements?

I have attached a separate schedule which explores these areas in more detail.

For information, we are also required to make enquiries of management and recently sent a letter and schedule of questions to Jenny Poole. We suggest that it would be useful to coordinate both the Audit Committee and management responses in time for discussion at the next Audit Committee meeting. If you are in agreement with this, I would be grateful for your response by the next Audit Committee. Please contact me if you wish to discuss anything in relation to this request.

Yours sincerely
