

Health and Safety Incidents (2018/19 Q2)

- A member of staff experienced shooting pains down his left arm and was taken to hospital, examined and declared fit;
- A member of staff fell down the stairs located near the reception desk at Trinity Road but did not sustain any injuries;
- During the night a ceiling tile in one of the kitchens fell on the worktop. The condition of the remaining tiles has been checked and made safe and replacement of the tile is part of an ongoing reparation review;
- A member of staff slipped on faeces in dense undergrowth during a site visit; no injuries were sustained, but clothes were contaminated.
