Agenda Item 13
Annex E

To Michelle Bernal

4/11/19

Re letter to council:

The person who worked out
the first proposal ~~WAS~~ CHANGE
FROM 1540 YDS TO 1120 YDS

has now changed his mind to
1410 YDS

Rule 3 should be for religious holidays
eg XMAS EVE, XMAS DAY - NEW YRS EVE
and NEW YRS DAY

IT WAS SUGGESTED THAT GOOD FRIDAY
& EASTER SUNDAY should be included
of Rule 3.

and other PUBLIC HOLIDAYS AT Rule 2

I DID say to that PWSol I think it

Should be from 1540 to 1120

Difference 420 yds

ADD Half of 420 = 210 yds

To start 3-20 for 1330 yds.

which will split the difference

between 1540 yds 1120 yds

Rate to start 3-20 for 1330 yds

instead of 1410 yds

With the increments of

Rate 1 as 10 per for subsequent 70 yds

Rate 2 " 10 per " " 60 yds

Rate 3 " 20 per " " 70 yds

Additional changes should be as
in letter you sent me.

P.S DID NOT Agree with

change yardage from 1120 to 1410

(3)

I Think IT Should Be 1330 INSTEAD
of 1410

Which is Half of the Difference
Between 1120 - 1540 YRS

Yours Faithfully

Good afternoon Michelle

This is a good proposal, but I would like to suggest that rate 2 runs from 7pm Friday Evening until 7am Monday morning and rate 2 runs from 7pm during the week.

I would propose this amendment to reflect the unsocial hours we work.

Kind regards
