<b>Background Information</b>	
<p>1. Following the District Council elections in May 2015, and with the previous Corporate Strategy having finished at the end of 2014/15, the Council needs to consider what its Strategy is to be for the period 2016-2019.</p> <p>2. A draft Corporate Strategy for the period 2016-2019 has been prepared, and a copy is attached at <b>Appendix 'A'</b>. It is in a shorter, more concise format than previous Corporate Strategies, and outlines the key facts and statistics relating to the District and the main issues which it currently faces. From these the proposed Council's Aim and Priorities have been developed as follows:</p> <p><b>Aim:</b></p> <p>To be recognised as the most efficient council in the country.</p> <p><b>Priorities:</b></p> <ol style="list-style-type: none"> <li>1. To provide high quality services at the lowest possible cost to Council Taxpayers;</li> <li>2. To protect the local environment whilst supporting economic growth;</li> <li>3. To champion issues which are important to local people.</li> </ol> <p>3. The Corporate Strategy gives the rationale for each of the Priorities and also sets out the objectives and key tasks to achieve each Priority. When finalised, the Corporate Strategy will also contain a set of Performance Indicators (currently under review), and a summary of the Medium Term Financial Strategy.</p>	

4. The Cabinet considered the draft Corporate Strategy 2016/19 at its meeting on 15th October 2015, and approved the document for consultation purposes - with Town/Parish Councils; this Committee; local businesses; and residents. A consultation document will also be made available on the Council's Website.

5. A report detailing the results of the consultation will be submitted to the Cabinet for consideration at its Meeting which is scheduled to be held on 18<sup>th</sup> February 2015, and the final Corporate Strategy 2016-2019 will then be recommended to the Council for approval.

6. The Overview and Scrutiny Committee is requested to consider the updated Strategy as part of the Council's consultation process relating to such document.
