The following question has been submitted:-

(1) From Councillor JA Harris to Councillor RL Hughes, Chairman of the Planning and Licensing Committee

'Two applications in my County Division that were passed by the Planning Committee in the last two years have produced severe parking problems for local residents because of contractors using residential streets to park all day.

The developments for a care home on Somerford Road and a new hotel and restaurant on the former lorry park site have resulted in safety issues, residents not being able to get their car or their drive or out of the street and general nuisance.

What guidance do the planning department give to developers and contractors to avoid parking issues and what powers do we have to stop this happening in future?'

Note:

The above question was submitted by the time by which a response is guaranteed to be provided to the questioners at least 24 hours before the Committee Meeting (by virtue of the Council's Procedure Rules).
