DISTRICT COUNCIL**

**PLANNING AND LICENSING COMMITTEE  
13<sup>TH</sup> SEPTEMBER 2017**

**ADDENDUM TO THE AGENDA**

(11) **Sites Inspection Briefing**

To note that, under Item 2, the following advance Sites Inspection Briefing has been requested: -

17/02224/FUL: Land Parcel North Of The Knoll, Whelford Road, Kempsford.

Proposal: The erection of 62 dwellings (50% affordable), formation of emergency access, associated landscaping and ancillary works.

Reason for Advance Site Inspection Briefing: this is a major application for development on the edge of the village and it would be beneficial for Members to visit the site to assess its visual impact on the setting of the village, to assess its relationship with existing dwellings adjacent to the site and to look at the proposed access and the surrounding local highway network.

**Note:**

The above item was notified after the Agenda for the Planning and Licensing Committee to be held on 13<sup>th</sup> September 2017 had been printed, but within the legal timeframes for the circulation of papers for that Meeting and so it can be included on the agenda.
