**APPLICATION REF: 17/00620/FUL
FILE REF: CD.9637/A**

DATE 11th April 2017

DECISION NOTICE

In pursuance of its powers under the above Act, the Council **REFUSES** permission for the above development for the following reason:

1 Little Colesbourne is a Grade II Listed Building. There are also a number of Grade II Listed Buildings to the east of the property, listed as "Open-fronted out-buildings and store c15m east of Little Colesborne". The Local Planning Authority is statutorily required to have special regard to the desirability of preserving these buildings, their settings or any features of special architectural or historic interest they possess.

The proposals involve demolition of a number of sections of drystone wall and construction of new verge and considerably taller drystone wall to block the historic site access. The demolition of the historic sections of drystone wall is considered to be harmful to the character, special architectural and historic interest and setting of Little Colesbourne and the setting of the adjacent Listed Buildings through loss of historic fabric, loss of characteristic and attractive features and harm to the legibility of the historic layout and hierarchy of the site.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against this decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal*] of the date of this notice, whichever period expires earlier.
