

**Notification of Decision of the Cabinet Member for the Environment, Waste and Recycling**

Present: Councillor Andrew Doherty

Officers: Jenny Poole, Mandy Fathers, Democratic Services

**I. Review of Public Convenience Charges and Payment Methods in Bourton on the Water**

This report enables the Cabinet Member for the Environment, Waste and Recycling to review tariffs and payment methods for each of the Council's two public conveniences within Bourton on the Water.

**Decision:**

That the Cabinet Member for the Environment, Waste and Recycling endorses the following:

- a) The proposed charges for Public Conveniences set out in paragraph 3.2;
- b) The option to pay by cash or contactless;
- c) A waiver of the Council's Contract Rules for the reason set out in paragraph 3.7;
- d) The award of a contract to Danfo to implement the payment method changes; and
- e) The additional set up costs as detailed in paragraph 3.4

**Reason for Decision of the Cabinet Member for the Environment, Waste and Recycling:**

Having the option of paying by either cash or contactless ensures that the majority of people will be able to access the facilities.

By increasing fees to 30p, annual taxpayer subsidy for the service is expected to reduce by £16,220.
