

Part C4: Non-Executive Scheme of Officer Delegation

- 4.1 Council has delegated to committees and officers the exercise of a range of functions set out in the table below (as referred to in Schedule 1 of the Local Authorities (Functions and Responsibilities) (England) Regulations 2000, as amended), which are not the responsibility of the Executive.
- 4.2 When exercising these delegated powers, officers should maintain a close liaison with the relevant committee chair and refer any proposed action to the relevant committee if required by the chair.
- 4.3 Officers may, in turn, authorise other officers to exercise their functions, or escalate the making of those decisions to Chief Executive or Deputy Chief Executive but must ensure that such delegations are documented and are regularly reviewed.
- 4.4 Any manager may exercise any power delegated to an officer for whom they have supervisory responsibility, except those reserved by law to others.
- 4.5 Any Non-Executive function may be exercised by the Chief Executive or the Deputy Chief Executive notwithstanding its delegation to another officer (except those reserved by law to others).
- 4.6 In the absence of the Chief Executive the Deputy Chief Executive is authorised to exercise any functions which are delegated to the Chief Executive
- 4.7 Officers (or an officer authorised by them) may act on urgent matters, which would otherwise require reference to, or consultation with Council or a committee, if there is no time for such reference or consultation to be made; relevant committee chairs should be consulted if time permits. All such decisions should be reported to the next meeting of Council or committee.
- 4.8 Certain Non-Executive decisions taken by officers must be recorded and published, in accordance with The Openness of Local Government Bodies Regulations 2014.
- 4.9 In addition to the specific powers detailed in the tables below all powers necessary and appropriate for the operational discharge of functions, whether mandatory or discretionary are deemed delegated to the Senior Officer(s) with responsibility for discharging that function, or exercising that power, without a specific resolution of Council or Cabinet, unless the legislation requires a positive resolution or a specific procedure to be adopted before the function can be undertaken. Such delegated powers are to be exercised with due professional skill and diligence relevant to the post and are subject to the limitations, if any, set by the relevant committee and budgetary resources. Further, such delegated powers will be exercised in compliance with and consistent with the policy framework adopted by Council and in accordance with law and the principles of this constitution. The Senior Officers will be able to appoint such officers as they consider necessary to assist in the discharge of the functions.
