1. BACKGROUND

Internal Audit Plan

The primary role of Internal Audit is to provide assurance that the Council's systems provide for a proper administration of its affairs. To this end, Internal Audit carries out a programme of audits that is agreed annually with the Council's Management Team and the Audit and Governance Committee. The Internal Audit service is provided to the Council by SWAP Internal Audit Services (SWAP).

In order to satisfy the requirements of the Public Sector Internal Audit Standards (PSIAS) and to reflect changes within the Council, SWAP needs to focus upon areas where the organisation now requires assurance. This reinforces the requirement for Internal Audit to follow a more flexible and risk-based plan.

The core financial systems delivered to the Council by Publica are covered within the Core Financials section of the Audit Plan. The scope of audits will include both Publica and client-side activities providing;

- Assurance to the client (Cotswold District Council) over the controls, and system controls, operated by Publica Officers, for each financial module
- Periodic assurance over the other services provided by Publica.
- The required support to the External Auditor.

2. MAIN POINTS

Internal Audit Plan

A summary of the Proposed Internal Audit Plan for 2024/25 is included in the Annex 'A'. This lists the risk-based assurance and consultancy work planned for the year. Counter fraud related audit work has not been included in this audit plan.

The Plan outlines a programme of work for 2024/25 as developed throughout January and February 2025 but due to the pace of change within Local Authorities, it is becoming increasingly difficult to accurately predict longer-term key organisational risks. Our approach to internal audit planning recognises this through a strategic 12 month rolling plan, whereby we have prepared an agile, risk assessed work plan containing key areas of coverage. This approach will ensure we are auditing the right areas, with the correct scope, at the right time.

We will revisit and adjust our programme of work on at least a quarterly basis to ensure alignment with the changing risk profile of the organisation's operations, systems and controls and with regard to sector risks. The regular input of Senior Management, and the Chief Financial Officer and review of the Authority's risk register will be considered in this process.

The audit plan contains an element of contingency in order that the plan can remain flexible and respond to new and emerging risks as and when they are identified and may include unannounced activity.

3. FINANCIAL IMPLICATIONS

3.1 The Internal Audit Service is operating within the contract sum.

4. LEGAL IMPLICATIONS

4.1 None directly from this report. Internal Audit reviews consider compliance with legislation relevant to the service area under review.

5. RISK ASSESSMENT

5.1 Any weaknesses in the control framework, identified by Internal Audit activity, continues to threaten organisational objectives until recommendations are implemented.

6. EQUALITIES IMPACT

6.1 Under equality legislation, the Council has a legal duty to pay 'due regard' to the need to eliminate discrimination and promote equality in relation to:

- Race
- Disability
- Gender, including gender reassignment
- Age
- Sexual Orientation
- Pregnancy and maternity
- Religion or belief

The Council also has a duty to foster good relations, and to consider the impact of its decisions on human rights. The law requires that this duty to pay 'due regard' is demonstrated in the decision making process. Therefore your report should contain a statement as to whether the recommendation has a particular impact on any of the above groups

Any reports which relate to new policies, procedures or services or changes to policies, procedures or services must be accompanied by an appropriate equalities impact assessment (EIA). You can access further guidance and the EIA template [via the portal](#) and the Council's Equality Policy [on the website](#).

7. CLIMATE AND ECOLOGICAL EMERGENCIES IMPLICATIONS

7.1 Include details of any climate change implications

8. ALTERNATIVE OPTIONS

8.1 This section must be completed and include details of why identified alternative options are not preferred.

9. BACKGROUND PAPERS
