Dear Sirs and Mesdames

Cotswold District Council

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

The following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience such as we consider necessary in connection with your audit of Cotswold District Council (the Council) financial statements for the year ended 31 March 2025. These enquiries have included inspection of supporting documentation where appropriate, and are sufficient to satisfy ourselves that we can make each of the following representations. All representations are made to the best of our knowledge and belief.

1. General

We have fulfilled our responsibilities for the preparation of the Council's financial statements in accordance with International Financial Reporting Standards and the CIPFA/ LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2024/25 (the Code) and applicable law and for being satisfied that they give a true and fair view and for making accurate representations to you.

All the transactions undertaken by the Council have been properly reflected and recorded in the accounting records.

All the accounting records have been made available to you for the purpose of your audit of the Council. We have provided you with unrestricted access to all appropriate persons within the Council, and with all other records and related information requested, including minutes of all Council and Committee meetings.

The financial statements are free of material misstatements, including omissions.

The effects of uncorrected misstatements (as set out in the appendix to this letter) are immaterial both individually and in total.

2. Internal control and fraud

We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud and error, and we believe that we have appropriately fulfilled these responsibilities. We have disclosed to you the results of our risk assessment that the financial statements may be misstated as a result of fraud.

We have disclosed to you all instances of known or suspected fraud affecting the Council involving management, employees who have a significant role in internal control or others where fraud could have a material effect on the financial statements.

We have also disclosed to you all information in relation to allegations of fraud or suspected fraud affecting the Council's financial statements communicated by current or former employees, analysts, regulators or others.

3. Assets and liabilities

ANNEX B

The Council has satisfactory title to all assets and there are no liens or encumbrances on the Council's assets, except for those that are disclosed in the notes to the financial statements.

Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. Such accounting estimates include PPE and investment property valuations, and pension liability.

All actual liabilities, contingent liabilities and guarantees given to third parties have been recorded or disclosed as appropriate.

We have no plans or intentions that may materially alter the carrying value and, where relevant, the fair value measurements or classification of assets and liabilities reflected in the financial statements.

4. Accounting estimates

The methods, data and significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement and disclosure that is reasonable in the context of the applicable financial reporting framework.

5. Legal claims

We have disclosed to you all claims in connection with litigation that have been, or are expected to be, received and such matters, as appropriate, have been properly accounted for and disclosed in the financial statements.

6. Laws and regulations

We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial statements.

We confirm that all correspondence with our Regulators has been made available to you.

7. Related parties

Related party relationships and transactions comply with the Council's financial regulations, relevant requirements of the Code and have been appropriately accounted for and disclosed in the financial statements. We have disclosed to you all relevant information concerning such relationships and transactions and are not aware of any other matters which require disclosure in order to comply with regulatory, legislative and accounting standards requirements.

8. Subsequent events

All events subsequent to the date of the financial statements which require adjustment or disclosure have been properly accounted for and disclosed.

9. Going concern

We believe that the Council's financial statements should be prepared on a going concern basis on the grounds that the financial reporting framework applicable to local government bodies means that the anticipated continued provision of entity's services in the public sector is normally sufficient evidence of going concern. We have not identified any material uncertainties related to going concern.

10. Annual Governance Statement

We are satisfied that the Annual Governance Statement (AGS) fairly reflects the Council's risk assurance and governance framework and we confirm that we are not aware of any significant risks that are not disclosed within the AGS.

ANNEX B

11. Narrative Report

The disclosures within the Narrative Report fairly reflect our understanding of the Council's financial and operating performance over the period covered by the Council's financial statements.

We acknowledge our legal responsibilities regarding disclosure of information to you as auditors and confirm that so far as we are aware, there is no relevant audit information needed by you in connection with preparing your audit report of which you are unaware.

We have taken all the appropriate steps in order to make ourselves aware of any relevant audit/ other information and to establish that you are aware of that information.

Yours faithfully

.....
Cllr Nigel Robbins [Chair of the Audit and Governance Committee]
