

Cotswold Community Safety Partnership priorities 2019 - 2021:

1. Crimes of Local Concern
2. Reduce Anti-Social Behaviour in all its forms
3. Support Vulnerable People
4. Build Stronger & Resilient Communities
5. To take into account the aftermath of the Covid19 pandemic and the effect it will have on crime and disorder in the Cotswolds

Priority 1: Crimes of Local Concern:

Aim to reduce crime and work with partners in preventing crimes and crimes which become entrenched with people at risk of re-offending

Action:	Owner	Target Date	Outcome
To monitor specific property related crime especially Burglary and vehicle crime (Including Priority 5)	Police	31/03/21	To reduce property related crime and encourage residents to protect their assets.
Undertake a review of the outcomes of the serious organised crime local profile and engage partners to share information and intelligence (Including Priority 5)	Police	31/03/21	To inform residents of organised crime and to reduce its impact in the district
Raise awareness of crime issues in the district and provide crime prevention advice and early intervention	All	31/03/21	Residents are informed of crime prevention initiatives so fewer crimes take place

Priority 2: Reduce Anti-Social Behaviour in all its forms

Aim to work with partners and Housing Associations to address anti-social behaviour and unacceptable activity that causes harm to an individual, to their community or to their environment.

Action:	Owner	Target Date	Outcome
Prevent and reduce incidents of anti-social behaviour and hate crime and encourage reporting to relevant authority (Including Priority 5) Undertake public campaigns to promote Hate Crime reporting (Including Priority 5)	ERS/ Police	31/03/21	Residents know where to report ASB and what action can be taken and have confidence in the process.

			To increase public awareness of hate crime and encourage reporting
To continue ASB meetings in the South and arrange for meetings to take place in the North with RSL's and Housing	ERS/ Police/ Bromford/ Sovereign	31/03/21	To reduce ASB in both North & South Cotswolds and sharing better intelligence and more effective responses for residents.
Tackle incidents of anti-social behaviour that occur in all its forms, including responding to community concerns and delivering enforcement and advice (Including Priority 5)	ERS/ Police	31/03/21	To ensure all reports of ASB are recorded and dealt with in a timely and robust way so communities feel safe and strong
Work with ERS Licensing Authority to identify problem premises/sales of alcohol (Including Priority 5)	ERS	31/03/21	To reduce incidents of drunkenness/ASB and assaults
Work with businesses to introduce City Safe	Police/CDC Depts	31/03/21	All of the above

Priority 3: Support Vulnerable People:

Aim to provide support to the more vulnerable members of the community particularly those at risk of exploitation in any form through the Hidden Harm project (HHP)

Action:	Owner	Target Date	Outcome
Co-ordinate Partnership activity around Domestic and Sexual Abuse including champion training and education of frontline workers and communities (Including Priority 5)	All	31/03/21	Staff and residents are more confident to spot issues and support victims and properly sign post to relevant support agencies
Raise awareness of Exploitation in all its forms including sexual and county line exploitation for frontline staff and within communities (Including Priority 5)	All	31/03/21	Staff and residents more able to spot and report concerns about exploitation
Raise awareness of harm caused by substance and alcohol misuse (Including Priority 5)	All	31/03/21	Frontline staff and residents able to recognise and signpost to appropriate agencies.
Raise awareness of Modern Slavery and Human Trafficking and the statutory referral process with all front line workers (inc Modern Slavery Transparency statement) (Including Priority 5)	All	31/03/21	To encourage better reporting of Modern Slavery via the NRM

To continue to fund the hidden harm project worker	ALL	31/03/21	To ensure relevant expertise is carried on beyond 2021 to deliver the HHP and engage with partners and communities alike so the message does not become lost and commit to the CDC Domestic Abuse priority

Priority 4: Build Safer, Stronger & Resilient Communities:

Aim to help local communities to flourish, becoming stronger, safer places to live, offering improved opportunities and a better quality of life.

Action:	Owner	Target Date	Outcome
Undertake different forms of community engagement, including weeks of action and regular public face to face contact i.e. local markets and public events	All	31/03/21	Residents know more about what services are available and where to get help and support
Promote methods of contact through a range of media channels including popular social media sites used by young people through all members of the partnership.	All	31/03/21	Communities feel more confident about how and where to report or More channels of communication are opened up to reach more people of different ages
Promote the use of community alerts by all partners	All	31/03/21	Issues are recognised and acted upon quickly and effectively

Priority 5: To take into account the aftermath of the Covid19 pandemic and the effect it will have on crime and disorder in the Cotswolds and be cognisant of the fact that there may/will be a rise in crime and disorder across the district and to address it accordingly.

Action:	Owner	Target Date	Outcome
Proactively engage with residents and communities to reduce crime ,fear of crime and anti-social behaviour	All	31/03/21	To support and encourage communities to be alert to crime and how to report it
Provide up to date statistical data to inform residents, communities and members of the extent of crime and disorder across the district	All	31/03/21	To ensure that accurate information is given to communities

Continue with the Hidden Harm projects that will have been impacted across a wide section of our communities i.e. Domestic Abuse, Stalking, Modern Slavery, Hate Crime, County Lines	All	31/03/21	To work with residents and organisations to recognise and address issues that directly affect their communities
