## **1. BACKGROUND**

- 1.1 Although the economy has now reopened, the government recognises that ongoing difficulties as well as longer-term challenges continue to face the retail, leisure and hospitality sectors.
- 1.2 High streets are currently recovering from the impacts on Covid-19 whilst also going through a period of transition and evolving in response to changing consumer preferences. Some of these trends, such as the shift to online sales, have been accelerated by the pandemic.
- 1.3 The government is therefore providing a new temporary relief for eligible retail, hospitality and leisure businesses in England to support local high street as they adapt and recover for 2022 to 2023.

## **2. MAIN POINTS**

- 2.1 The Chancellor announced in his Autumn Budget that eligible hereditaments will receive 50% business rate relief up to a cash cap of £110,000 per business.
- 2.2 Local authorities are expected to use their discretionary relief powers (under section 47 of the Local Government Finance Act 1988, as amended) to grant these discounts in line with the relevant edibility criteria as detailed within Annex A (attached).
- 2.3 The Council will be compensated for the cost of granting these discounts through a section 31 grant from government.
- 2.4 Guidance that has been previously provided in respect of which businesses should benefit from this relief and those that should not will be followed and the Discretionary Rate Relief policy will be amended with a separate annex detailing the qualifying criteria.
- 2.5 These changes will take effect from 1 April 2022.
- 2.6 The team responsible for the administration of Business Rates will identify those businesses eligible for this relief and apply it to their 2022/2023 liability. Those eligible businesses will see the reduction on their annual business rate demand notice.

## **3. FINANCIAL IMPLICATIONS**

- 3.1 Central government will fully reimburse local authorities for the local share of discretionary relief awarded to those qualifying businesses entitled to this relief using a grant under section 31 of the Local Government Finance Act 2003 providing the council adopts the recommended approach when granting relief.

## **4. LEGAL IMPLICATIONS**

- 4.1 The government is not changing the legislation around the relief available to businesses and expects councils to grant the relief under section 47 of the Local Government Finance Act, 1988, as amended.
