RR 19	If there are insufficient resources to deliver the objectives of the Corporate Strategy and Plan then the expectations of our communities may not be met resulting in lower satisfaction and reputational damage.  Risk logged: August 2014  Risk Owner: S.151 Officer Responsible Officer: Publica Managing Director	3	3	Ş	Medium Term Financial Strategy	3	3	9	(3)	3	9	0	<b>→</b>	The financial implications of the Council's new Corporate Strategy have been included in the Medium Term Financial Strategy. The latest MTFS was approved by Council in February 2022 and includes funding for resources to support the Council's priorities which were identified in 2020. The Council has also approved a Recovery Investment Strategy which allocates capital funding for investment in Council Priorities and to provide a revenue stream to the Council.  This risk links to risk CRR-028 regarding the Local Government Funding Settlement over the Medium Term.
RR 28	R-If the Local Government settlement over the medium term is unfavourable then the Council's savings target may need to increase.  Risk logged: July 2015  Risk Owner: S.151 Officer Responsible Officer: S.151 Officer	4	4	16	Medium Term Financial Strategy     Only legacy Payments of New Homes Bonus in MTFS     Publica Transformation Programme     Recovery Investment Strategy approved by Council Sept 20	3	3	9	3	3	9	0	$\rightarrow$	The updated MTFS was approved in Feb 2022. The LG Settlement for 2022/23 is essentially a roll over of funding for 2021/22. The significant changes to LG Funding from Business Rate Retention and the Fairer Funding Review widelayed. The Secretary of State has recently announced a year funding settlement for 2023/24 and 2024/25. The MTF will be refreshed to reflect this announcement. The MTFS includes savings targets to address changes to government funding.  The Council approved a Recovery Investment Strategy in Sept 20 which aims to increase income to the Council to mitigate against reduced government funding. A refresh of Recovery Investment Strategy will be considered by Council July 2022.  An Environmental Services Improvement Programme has been established to develop options for reducing the cost of the waste and recycling services.

Budget Pressure: if unavoidable budget pressures exceed provision within the MTFS, such as not making expected savings or failing to meet income targets, the Council may have to consider unplanned use of revenue reserves, raise Council Tax, find further savings and/or cut services.  Risk logged: May 2010  Risk Owner: S.151 Officer  Responsible Officer: S.151 Officer	4	4	16	<ul> <li>Regular meetings with Members and Cabinet</li> <li>MTFS and budget process</li> <li>Publica Group Managers/Business Managers and Strategic Directors involved in budget process</li> <li>Publica Transformation Programme</li> <li>Recovery Investment Strategy</li> </ul>	3	3	9	4	4	16 7	<b>^</b>	The 2022/23 budget has been set following engagement with key service providers (Publica and Ubico) and reflected expected service costs at that point in time.  Inflation is now far higher than when the budget was set, making in-year budget monitoring and management vital. Should the Council not be able to take mitigating action to avoid the full impact of raising costs, there may be a requirement to use some of the General Fund balance to manage the in-year cost pressure.  The MTFS refresh has commenced and will incorporate the impact of higher inflation.
Without clear and robust procurement procedures, Publica and Partner Councils will not benefit from the most economically advantageous procurement opportunities and may fail to comply with the law governing Public Procurement Rules.  Risk logged: January 2021  Risk Owner: S.151 Officer Responsible Officer: Publica Executive Director	4	3	12	<ul> <li>Procurement rules approved by Council.</li> <li>Publica Procurement Team able to provide procurement advice and assistance on major procurements.</li> <li>Commissioning and Procurement User Guide produced.</li> <li>Training on commissioning and procurement being rolled out to all staff.</li> <li>Commissioning &amp; Procurement Board meeting monthly, attended by Chief Finance Officer</li> </ul>	3	2	6	3	2	6 0	$\rightarrow$	September 2022 - Procurement and Contract Management Strategy will be presented to Cabinet for approval in the autumn.
In light of an extremely tight labour market and increasing inflationary pressures if Publica or the Council is unable to recruit suitable staff and retain them, particularly in some key service areas then the level of service delivery could be reduced which would impact on residents/communities.  Risk logged: April 2022  Risk Owner: Chief Executive Responsible Officer: Publica Executive Director	3	4	12	Financial incentives (market force supplement scheme)     Work with partners to address skill shortages     Review of pay and benefits package.     Introduction of career grade structures in Planning and Project Management	3	3	9	3	3	9 0	<b>→</b>	September 2022 - No change in rating. Quarterly performance reports enable any necessary mitigation to maintain service delivery levels to be discussed.  A recruitment improvement plan is underway to help ensure the service meets users' needs and is both flexible and modern going forward.  Career-graded posts have been introduced into some services, including Development Management and Project Management, to assist with retention and development of staff.  A new training offer has been promoted to staff as another retention measure with over 40 employees now undertaking professional development training.  A discussion on recruitment and retention has taken place at the Publica Shareholder Forum. Staff turnover reduced in the first quarter of 2022-23 and is back to or slightly below the prepandemic level.
The move to permanent agile working arrangements presents a risk that the well being of our staff is not properly monitored and reviewed.  Risk logged: April 2022  Risk Owner: Chief Executive Responsible Officer: Publica Executive Director	4	5	20	<ul> <li>Regular reviews of change process</li> <li>Impact of change measured via Staff forum and staff sickness</li> <li>Comprehensive consultation and engagement process</li> <li>Change management training</li> <li>Joint Liaison Forum</li> </ul>	3	2	9	2	2	4 -5	<b>\</b>	September 2022 Publica achieved its Investors in People accreditation in July 2022. The liP framework will be used to support further improvements in staff wellbeing and support. The Healthy Workplace accreditation was gained in December 2021 and work is underway to achieve the higher level award this year. A further round of staff lunch get togethers was held in June/July to help staff reconnect with colleagues face to face. The Staff Forum continues to meet monthly and addresses wellbeing matters. New mental health first aiders have been trained and are offering employees support and signposting to help and advice. The sickness absence figures for the first quarter of 2022-23 show a marked reduction in both home and work related stress and anxiety.

CRR- 001 If the Council's data is of poor quality or it does not make appropriate use of its data then the decisions it makes may be flawed.  Risk logged: March 2008  Risk Owner: Responsible Officer: Publica Group Manager for Commercial Development	3 4	12	Internal processes and self assessments Internal audit assurance and support Dedicated staff resource on performance management and data quality Performance Management Framework	3	3	3	3	3 9	0	$\rightarrow$	Additional mitigation has been put in place as part of a collective effort between Corporate Performance and Business Intelligence Teams to improve the accuracy and speed at which KPI data can be collected (moving some of the information into a live environment). A working group has been set up involving members of the scrutiny committee to develop improved assurance methods and metrics for councils relating to Publica services. Prototyping is in progress in relation to a live data assurance framework for Publica Services.
CRR- O11 Cyber Security: If the Council's IT System / infrastructure failed due to cyber-attacks and/or virus then system performance could be reduced leading to poor service delivery/financial impact.  Risk logged: May 2013 Risk Owner: S.151 Officer Responsible Officer: Publica Group Manager for Business Support	5 4	200	<ul> <li>Blocking of USB and other devices</li> <li>PSN compliance</li> <li>Revised policies</li> <li>Staff awareness training</li> <li>BCP in place, reviewed and tested</li> <li>Enhanced encryption software and other specialist cyber tools</li> <li>Investment in cyber training for the ICT Team</li> <li>All Councils have PSN accreditation</li> </ul>	4	3 12	2 4	3	12	0	$\rightarrow$	September 2022 - Level of risk remains at amber as work continues on our approach to cyber security. The Council has recently agreed to an increase in investment in this area which will enable the work previously identified to be taken forward.  New dedicated Cyber Team being created within ICT.  Although protection measures are already well established, these are reviewed and updated to ensure they remain effective against new risks  Progress on the Cyber Security updates and Action Plan is being reported to the Council and Publica on a regular basis.  Continual update of Information Asset Register  Ongoing Password Audits across our network to evaluate weak passwords  Detailed review of Business Continuity & Disaster Recovery Plans in light of the GC situation, coupled with an active test of business continuity plans taking place in September.  Security systems updated to monitor and specifically block attacks related to identified vulnerability  All emails received from at risk location are quarantined and inspected by ICT staff before being released. New Al/ML
Ota Security: If there is a loss of data (both on site and as a result of remote/mobile working) / security failure in our IT systems then it could lead to a reduced level of service and have a negative impact on the Council's reputation and finances  Risk logged: May 2013  Risk Owner: S.151 Officer Responsible Officer: Publica Group Manager for Business Support		16	<ul> <li>Blocking of USB and other devices</li> <li>PSN compliance</li> <li>Revised policies</li> <li>Staff awareness training</li> <li>BCP in place, reviewed and tested</li> <li>Enhanced encryption software and other specialist cyber tools</li> <li>Investment in cyber training for the ICT Team</li> <li>All Councils have PSN accreditation, which compliments the Cyber Essential Plus.</li> </ul>	3	3	3	3	9	0		September 2022 - Level of risk remains static whilst work continues in this area.  Although protection measures are already well established, these are reviewed and updated to ensure they remain effective against new risks.  Additional online training to reinforce the need for staff to be aware of their responsibilities with regards to data security, passwords and GDPR is being rolled out and will be incorporated into the relaunch of ihasco in October.  Additional Phishing awareness training to educates employees on how to spot and report suspected phishing attempts has been rolled out.  All emails received from at risk location are quarantined and inspected by ICT staff before being released  Immutable Storage, Network segmentation, Backup & DR processes in place (these are scheduled to be reviewed).

Government Employees is agreed by the National Joint Council (NJC), comprising Local Authority Employers and the recognised Trade Unions. Whilst Publica is not represented on the NJC, it has previously confirmed it would accept the agreed annual pay award for its staff. The impact of the agreed pay award will increase the cost of service provision to the Council.  Risk Logged: June 2022  Risk Owner: S.151 Officer		
Responsible Officer: Publica Group Finance Director	22 - the Councils budget includes an allowance for my growth. The offer from local government employers is an across the board flat cash offer of £1,925 per This is likely to cost in the order of 6% of the paybill such is significantly outside the current budget and an governmen funding in the 2022/23 finance ent allowed for.	
CRR-   Inflation: Drivers of inflation are expected to continue for the foreseeable future (building, fuel and wage costs). If there is insufficient budget funding or contingencies built in, this will impact on service delivery and the completion of major projects.    Risk Logged: July 2022   Risk Owner: S.151 Officer   Responsible Officer: Publica Group Finance Director   A 5 20   Inflation is being actively monitored as part of our in-year financial management and project management and project management processes. Latest forecasts of inflation are being used in the refresh of our medium term financial strategy and scenario testing will be undertaken. Officers will also be proactively lobbying relevant bodies seeking funding for inflation in the next spending review.

Delays to preparing an updated Local Plan may result in an increase of speculative planning applications on the fifth anniversary of the local plan's adoption (2023).  Risk Logged: April 2008  Risk Owner: Chief Executive Responsible Officer: Publica Business Manager for Localities	4	4		• Local Plan Programme Board reconvened with updated Terms of Reference and membership  * Cabinet approved Local Development Scheme in 2021, which confirms LP update key milestones and estimated delivery date.		4	10	4	4			$\rightarrow$	Regeneration Bill which seeks to significantly alter the planning system, technical details are deferred to secondar legislation and consultations on updated policy and guidant (expected within the next 12 months).  08-June-2021 (remains relevant at Jan 2022) Partial update Local Plan has restarted. However, the government announced in May 2021 (via the Queen's Speech) its intent to publish a Planning Bill in the autumn 2021 and carry forward many of the proposed changes suggested by its what paper. The exact details are unknown at this stage but suggested changes are not comparable (in terms of scale as fundamentals) with recent updates and it will have a notable impact on the town planning profession and the Council's statutory duties. The Council's approach to partially updating the Local Plan (rather than a full update) is finely balanced it continues to offer the most expeditious route to deliver Corporate Strategy actions. This position will need to be reviewed in light of the eventual Planning Bill.

CRR- 035 Business Grants and Council Tax Rebates: The Council is expected to undertake a further round of Business Grant Payments and Council Rebates. This will be quite extensive ensuring grant payments and rebates are applied correctly and verified. If there is a failure in how the applications are processed, this could result in a significant overpayment which may not be recovered from central government, creating a financial loss and reputational damage.  Risk logged: January 2022  Risk Owner: S.151 Officer Responsible Officer: Publica Group Business Manager for Environmental, Welfare and Revenue Services		3	15	Experience in payment of previous Covid Grants Verification process in place, including input from Counter Fraud Team Guidance expected from the NFI and Spotlight Comms to be published to manage expectations		1	4	4	. 1	4	0	<b>→</b>	Working with Civica to get validated system for processing applications in respect of the Council Tax Rebate scheme.  Although the likelihood is extremely low, with the extensive controls and scrutiny of payments, the significant sums involved means there will always be an element of risk to the Council.
