## **1. BACKGROUND**

- 1.1** The Department of Levelling Up, Housing and Communities (DLUHC) has provided an annual Grant allocation to assist with the Prevention of Homelessness for several years in varying different formats and amounts.
- 1.2** Alongside these allocations, in recent years DLUHC have also provided Winter Pressure uplifts, New Burdens funding for Housing following the introduction of the Domestic Abuse Act, and other COVID related funds to assist with increased demands on the Housing service and in particular, homelessness.
- 1.3** DLUHC recently undertook a review of the current method of calculating and allocating the Homelessness Prevention Grant and following a full consultation, announced on 23 December 2022 that for 2023 onwards this would be a two year allocation to enable Local Authorities to plan ahead and provide certainty for staff and service users.
- 1.4** In 2022/23 Cotswold District Council received a Homelessness Prevention allocation of £138,835 plus a Winter pressures uplift of £21,495
- 1.5** Winter pressures funding tends to be announced in late December each year, with a short turnaround time to spend, usually by the end of March. DLUHC will also sometimes award adhoc ring fenced funding to target specific Homelessness pressures, therefore delegated authority is sought to ensure these additional awards are used in a timely fashion and for their intended purpose
- 1.6** DLUHC has awarded Cotswold District Council £144,956 for 2023-24 rising to £153,004 in 2024-25
- 1.7** DLUHC set out its expectations on how this fund is to be spent in the letter to Chief Executives dated 23 December 2022. This is detailed within Annex A.

## **2. MAIN POINTS – Homelessness Prevention Grant Proposed Spend**

- 2.1** DLUHC has ring fenced the Homelessness Prevention Grant to focus on the Prevention of Homelessness and set out the following delivery expectations from the fund:
  - To fully embed the Homelessness Reduction Act and contribute to ending rough sleeping by increasing activity to prevent single homelessness
  - Reduce the number of families in temporary accommodation numbers through maximising family homelessness prevention,
  - To reduce the use of Bed and Breakfast accommodation for families and eliminate family Bed and Breakfast placements beyond the statutory six-week limit

- 2.2 It is therefore proposed that, in order for the Council to meet the expectation set by the DLUHC, the Homelessness Prevention Grant is allocated as follows:

**Year 1 2023 – 2024:**

Flexible Prevention Fund	£65,956
Private Rented Deposit Fund	£20,000
Personalisation Budgets & B&B Move On (Complex singles / B&B Move On / Cold Weather funding)	£10,000
Continuation of the Complex Needs Project Officer role (Less £15,000 secured until 2025 through the Rough Sleeping Initiative 2022-2025)	£21,000 (per annum)
Continuation of 2 x Shared Temporary Accommodation Move On Officer Posts	£28,000 (per annum)
<b>Total:</b>	<b>£144,956</b>

**Year 2 2024 – 2025:**

Flexible Prevention Fund	£69,004
Private Rented Deposit Fund	£20,000
Personalisation Budgets & B&B Move On (Complex singles / B&B Move On / Cold Weather funding)	£10,000
Continuation of the Complex Needs Project Officer role (Less £15,000 secured until 2025 through the Rough Sleeping Initiative 2022-2025) - (these are approximate figures and reflect all associated costs of employment including redundancy and on costs)	£23,000 (per annum)
Continuation of 2 x Shared Temporary Accommodation Move On Officer Posts – (these are approximate figures and reflect all associated costs of employment including redundancy and on costs)	£31,000 (per annum)
<b>Total:</b>	<b>£153,004</b>

- 2.3 The Flexible Prevention Fund** will allow the Housing Team to assist clients with bespoke solutions (such as addressing arrears, moving costs and providing mediation) to prevent homelessness from occurring at the earliest possible stage, reducing the need for expensive and unsuitable Bed and Breakfast use and provide our clients with the best possible outcomes. This fund will work alongside Discretionary Housing Benefits, benefit signposting, and financial management assistance from in-house Client Support and Third Party agencies. The Flexible Prevention Fund will assist with bespoke interventions depending on the specific clients' needs.
- 2.4 Private Rented Sector Fund.** There will be a modest budget to fund the provision of cash deposits, fees and payments of rent in advance as well as payments to help households make their new accommodation habitable.
- 2.5 Personalisation Budgets & Bed and Breakfast Move On Fund.** Personalisation budgets will allow the Project Officers (Temporary Accommodation and Complex Needs) to provide fully flexible solutions to suit the individual situation or need. This can include addressing fuel poverty, minor adaptations to properties (for example, providing temporary bedroom dividers for older children who need to share). Bed and Breakfast Move On will allow the Temporary Accommodation Move On Officers access to funds to ensure the clients who are in Bed and Breakfast have access to items such as furniture, bedding, and white goods.
- 2.6** These Funds will be managed by the Housing Finance Project Officer in consultation with the Business Manager - Housing.
- 2.7 Continuation of the current Fixed Term Contracts for 2 years as detailed below:** The Homelessness Prevention Grant has traditionally been awarded for 1 year at a time, leaving the council with no option but to offer 1 year fixed term contracts to the officers employed to assist with meeting the grant conditions. It is therefore now possible for new contracts be offered for 2 years to give both the officers stability and the projects longevity. (Costs in salary and on costs such as redundancy payments have been included in this calculation as the two of the officers will have now been in post for more than 2 years):
- **Continuation of the Complex Needs Project Officer role** - This role is currently providing invaluable 'upstream' Housing advice to those clients who are threatened with homelessness at an early stage with the aim of preventing Homelessness wherever possible. The post holder has been in place for 2 years and typically holds a caseload of 30 applicants at any one time with the aim of preventing them from becoming homeless. On average the Complex Needs Officer will prevent around 50 – 60 households per annum from becoming homeless.
  - **Temporary Accommodation Move On Officers.** It is proposed that the proportion of the fund that is pooled with Forest of Dean and West Oxfordshire District Councils will continue to employ two shared Temporary Accommodation Move On Officers. These roles are dedicated to ensure that the client is moved on from any form of temporary accommodation swiftly and into permanent accommodation that is right for the client. The Temporary Accommodation Move On Officers maximise the options available in terms of emergency, temporary and longer term private rented or affordable rented accommodation.

- 2.8 Allocation for 2024-2025.** A review of the current Homelessness circumstances in the district will be carried out in January 2024, and further report will be presented to Cabinet if a change in direction is needed

### **3. FLEXIBLE HOMELESSNESS RESPONSE**

- 3.1** Currently there are numerous Countywide projects being discussed at any one time as part of the Gloucestershire Strategic Housing Partnership around the provision of accommodation for rough sleepers and those at risk of rough sleeping (i.e. 'sofa surfers').
- 3.2** Rough Sleeper Initiative Funding has been secured for 2022 -2025 for the Gloucestershire partners to deliver a number of countywide and local schemes targeted at reducing rough sleeping. These schemes include direct access supported accommodation (Somewhere Safe to Stay hubs), longer term supported accommodation and a new, joint Housing First project.
- 3.3** The Gloucestershire Partnership has also created a countywide Team to respond to the New Burdens on Housing followed the introduction of the Domestic Abuse Act 2021. In 2021/2022 the Partnership agreed to pool two thirds of our New Burdens funding (each authority received around £33,000) to ensure the longevity of this scheme.
- 3.4** However, from time to time, new initiatives or the need to provide targeted interventions arise (such as Covid, extreme weather etc.).
- 3.5** Therefore, it is proposed that the Flexible Prevention portion of the funds be used if needed to meet the changing demands on the service as the pandemic continues, the Cost of Living Crisis develops and government guidance changes.
- 3.6** It is further proposed that, should DLUHC issue any further uplifts or Housing and Homeless specific funds over the financial year to contain Covid outbreaks, assist with the Cost of Living Crisis or address increased demands on the Housing Service, delegation of the spending of these be given to the Business Manager - Housing in consultation with the Cabinet Member for Housing and Homelessness subject to compliance with the ring fenced grant conditions

### **4. FINANCIAL IMPLICATIONS**

- 4.1** There are multiple complex funding streams supporting the work of the housing team particularly with regard to homeless prevention. Some of these funding streams are subject to bids and some are allocations. Often these come through at short notice and require Officers to investigate options and put together work packages in short time frames.
- 4.2** The proposals set out in section 2 are aimed at addressing the expectations set out by DLUHC and available accommodation in the Cotswold District. There are limited options

and significant costs associated with the provision of emergency accommodation within the District, as well as a shortage of longer term accommodation.

- 4.3 The proposal is therefore aimed at reducing the use and time spent in expensive short term, emergency accommodation benefiting both the Council and the client.
- 4.4 All proposed spending plans are supported by ring fenced government grants so will have no impact upon the Council's net approved budget or financial strategy.
- 4.5 Any staffing related costs will require appropriate contract variations to the Publica Contract.

## **5. LEGAL IMPLICATIONS**

- 5.1 Spending allocations need to follow the ring fenced grant schemes;
- 5.2 Save from the above there are no other legal implications arising directly from this report.

## **6. RISK ASSESSMENT**

- 6.1 There is a reputational risk to the Council if it does not use this grant funding effectively for the specific purposes set out in the DLUHC letter to Chief Executives on the 23rd December 2022
- 6.2 DLUHC require a full financial breakdown of how the Homelessness Prevention Grant has been spent. If it has not been spent in full, or has not complied with the conditions of the Grant, Cotswold District Council could be required to return all or some of the Grant
- 6.3 There is also a risk that rising demands on the service from ongoing financial and housing challenges facing residents of the Cotswold District Council area during the ongoing pandemic and Cost of Living Crisis could impact on the Councils ability to deliver a full statutory Housing service if fixed term staffing contracts are not extended

## **7. EQUALITIES IMPACT (IF REQUIRED)**

- 7.1 Please see attached Equalities Impact Assessment – Annex B

## **8. CLIMATE AND ECOLOGICAL EMERGENCIES IMPLICATIONS**

- 8.1 None

## **9. ALTERNATIVE OPTIONS**

- 9.1 None considered as the allocation is ring fenced to specific outcomes.
