

## ANNEX H STRATEGY FOR THE FLEXIBLE USE OF CAPITAL RECEIPTS

COTSWOLD  
DISTRICT COUNCIL

The strategy has regard to the Guidance on the Flexible Use of Capital Receipts issued by the Secretary of State under Section 15 (1)(a) of the Local Government Act 2003 during March 2016, including only those projects which are designed to generate ongoing revenue savings in the delivery of services and/or transform service delivery in a way that reduces costs or demand for services.

Projects included in the strategy support the Council's Cabinet Transform Working Group and progress will be monitored regularly as part of the quarterly Financial, Council Priority and Service Performance reporting.

The Guidance on the Flexible Use of Capital Receipts allows set-up and implementation costs to be counted as qualifying costs, however the on-going revenue costs of new processes or arrangements cannot.

Only receipts from the disposal of capital assets received between April 2022 and March 2025 are eligible for use to fund qualifying costs of service reform. A balance of £9.674m is held within Capital Receipts Reserve at 31 March 2022. Capital Receipts of £1.655m have been received to date during 2022/23 although no decision has been taken as to the level of allocation to Flexible Use of Capital Receipts.

As part of the Local Government Settlement, the Communities Secretary for Ministry of Housing, Communities and Local Government announced in February 2021 that there would be a continuation of the capital receipts flexibility programme for a further three years, to give local authorities the continued freedom to use capital receipts from the sale of their own assets (excluding Right to Buy receipts) to help fund the revenue costs of transformation projects and release savings. This was formally confirmed on 04 April 2022. Should future projects be identified alongside suitable asset sales, this will be presented in a revised strategy.

Service reform projects can still be financed in whole or in part from other sources e.g., the Council Priorities Fund. The Council is not obliged to fund these projects from capital receipts, however, on the adoption of this strategy, will have the option to do so.
