Good afternoon Licensing

As per the email below, I have been instructed to represent the premises licence holder for Spice Room, at a forthcoming hearing of the Licensing Sub Committee. The hearing is necessary as a result of an application to review the premises licence.

I understand the date for the hearing has been set for 25th July 2023.

I would like to formally request that the hearing be adjourned from 25th July to a date after 4th August. The reason for this request is that I have invited an expert witness to attend the hearing, to provide evidence on behalf of the premises licence holder. The witness is Kevin Barker, who is copied into this email.

I have also attached a letter to this email which I would like to be added to the council report for the attention of all parties prior to the hearing taking place. This letter forms the basis of Mr Barker's evidence.

Please acknowledge safe receipt of this email and confirm that my request for an adjournment can be accommodated.

I look forward to hearing from you.

Kind regards

Frank
