Part C5: Executive or Cabinet Functions

- 5.1 The Council operates a Leader and Cabinet form of Executive and the Leader of the Council specifies how the functions of the Executive (known as 'Executive Functions') will be carried out. All functions of the Council that are not reserved by law as Non-Executive (see Part C2), are Executive functions. Except where the law otherwise provides, it is at the Leader's discretion to determine how decision-making in relation to Executive functions will be exercised.
- 5.2 The Leader may discharge any Executive functions directly or may arrange for the discharge of those functions by:
 - the Cabinet
 - a Cabinet Committee
 - an individual member of the Cabinet (Cabinet Member)
 - an officer of the Council
 - another local authority
 - jointly with another local authority through a joint committee or Officer
- 5.3 The Cabinet undertakes all Executive functions including:
 - (a) proposing plans and strategies, including the overall Budget, the Policy Framework, changes to the Constitution and arrangements for the good governance of the authority, to Council to approve and adopt
 - (b) publishing in the Forward Plan all decisions by Cabinet, individual Cabinet members and Key Decisions made by officers
 - (c) establishing committees to discharge specific Executive functions, or establishing working groups or panels to review or advise on specific issues
 - (d) representing the Council locally, nationally, and internationally
 - (e) attending meetings of the Overview & Scrutiny committee and any Task and Finish Groups when required to do so.
 - (f) agreeing the acquisition and disposal of property (within limits set out in the Financial Rules and the Acquisition and Disposal Policy) and the management of the Council's landholdings
 - (g) proposing acquisition or disposal of land and property to Council where the financial implications exceed the threshold delegated to the Cabinet
 - (h) exercising the powers and duties of the Council in respect of leisure, museums, consumer protection and environmental health
 - (i) acting as waste collection authority
 - (j) agreeing protocols for consultation and relations with outside bodies
- 5.4 As a rule, matters of corporate policy and high-level strategic matters will be determined by the Cabinet collectively; strategic matters relating to Cabinet member portfolios will be determined by individual Cabinet members; and operational service matters will be determined by the Chief Executive and / or Deputy Chief Executive in consultation with the Leader and / or relevant Cabinet Member, where appropriate. Where there is doubt, the Leader will be asked to decide.

5.5 Delegations

- 5.5.1 The Leader has exercised the power of delegation in the manner set out below in Table 4 'General Scheme of Delegation of Executive Functions' and Table 5 'Additional Delegation of Executive Functions to Officers'. In Table 4 reference to 'Cabinet Member' means a Cabinet Member acting in portfolio as set out in Appendix A and reference to 'Officer' means Chief Executive, Deputy Chief Executive, or designated senior Publica employee, when acting as an employee of Cotswold District Council.
- 5.5.2 The Leader has directed that the Executive Functions delegated to Cabinet Members as setout in Table 5 shall not be sub-delegated to Officers without prior consent.
- 5.5.3 Each person or body to whom an Executive Function is delegated shall be empowered to take any step for the purposes of or in connection with the discharge of the Function and may do anything incidental or conducive to discharge of the Function or do anything expedient in connection with the discharge of the Function.
- 5.5.4 The Leader may amend these delegations at any time by giving notice in writing to any person who currently holds the power and any person to whom the power is now to be delegated and to the Proper Officer (in this case the Chief Executive or in their absence or where they are unable to act the Deputy Chief Executive) setting out the change to be made; such amendment to take effect immediately on confirmation of receipt by the Proper Officer. The Proper Officer will ensure that this Part C of the Constitution is updated forthwith.
- 5.5.5 Where an Executive Function has been delegated by the Leader this does not prevent the Leader from exercising that Function.
- 5.5.6 In the absence of the Leader of the Council the person or persons designated by the Leader and notified by the Leader to the Proper Officer as having responsibility for the Leader's area(s) of responsibility is or are authorised to exercise the functions of the Leader pursuant to the Constitution.
- 5.5.7 <u>Article 13 'Decision Making'</u> applies to the exercise of all Executive Functions in this Part.
- 5.6 Officer Delegations Special Provisions
- 5.6.1 The Chief Executive and Deputy Chief Executive are not required to exercise all delegations personally and may sub-delegate any Function in this Part C to Officers of suitable experience and seniority.
- 5.6.2 An Officer does not have delegated authority to take a Key Decision unless
 - specifically authorised to do so by the Leader or
 - the Chief Executive
 - or, in their absence or where they are unable to act, the Deputy Chief Executive is taking an urgent decision as set out in this Part C5.
- 5.6.3 The fact that a function is delegated to an Officer under this Scheme does not preclude the person or body which gave the delegation from exercising the function

in question.

- 5.6.4 The Leader may direct in any case that a power delegated to an Officer in respect of an Executive Function shall not be exercised by an Officer and that the Function in question shall instead be exercised by the Leader or Cabinet. Such direction must be exercised in consultation with the Chief Executive or Deputy Chief Executive.
- 5.6.5 A Cabinet Member may in respect of an Executive Function which falls within their portfolio direct in any case that a delegated power to an Officer shall not be exercised by an Officer and shall instead be exercised by them as Cabinet Member. Such direction must be exercised in consultation with the Chief Executive or Deputy Chief Executive and the Leader.
- 5.6.6 The Chief Executive or Deputy Chief Executive may at their discretion and in consultation with the Leader or Cabinet Member refer any matter to the Leader or Cabinet for decision.
- 5.6.7 Officers have responsibility to report to the Leader or Cabinet Member matters that are of political or strategic significance related to any function they are exercising where it is proper for them to be aware of the position.

5.7 Cabinet Member Portfolios

- 5.7.1 Cabinet members have personal responsibility for decisions taken in relation to and discharging those Executive functions within their remit (portfolio of responsibility) as determined by the Leader.
- 5.7.2 As a general proposition, Cabinet members are responsible for:
 - leading on developing Council policy and make recommendations to the Cabinet
 - providing guidance to the Cabinet on running activities
 - giving guidance to the Cabinet on budget priorities
 - monitoring performance and ensure policy is delivered
 - leading on improving Council services
 - making sure that activities meet the Council's overall vision, core values and guiding principles
 - contributing to debate and decision-making
 - working with councillors who are not members of the Cabinet, including members of Overview & Scrutiny Committee, members of the Opposition and Officers to make sure that the overview and scrutiny process works correctly
 - appearing before and responding to Overview and Scrutiny Committee reports
 - representing the Council at a national and local level
 - Each Cabinet Member is the spokesperson for the policy area or 'portfolio' they are responsible for
- 5.7.3 If a Cabinet Member wishes to make a decision contrary to the advice of the relevant Officer, they must refer the issue to the Cabinet for a decision. If a Cabinet Member considers that any decision they are being asked to take is likely to be particularly sensitive or controversial, they have the discretion to refer the decision to the Cabinet for consideration.
