Names: Andrew Pollard, Interim Programme Director	
Date of assessment: 24/06/2024	Telephone: 01993861297 Email: andrew.pollard@westoxon.gov.uk

2. Name of the policy, service, strategy, procedure, or function:

Is this a new or existing one?
New. Proposal to in-source a number of services currently provided by Publica, back into the respective Councils (Cotswold, West Oxfordshire, Forest of Dean). This will impact circa 270 job roles, currently delivered through Publica.

3. Briefly describe its aims and objectives

<ul style="list-style-type: none"> • A more focused and defined approach to driving each council’s priorities through their corporate plan strategies. • Greater clarity and focus for those functions remaining with Publica. • Greater clarity over roles, responsibilities and accountabilities – and where direction is set from. • How performance and value for money is understood and managed and how it can be more clearly defined and measured. • Simplification of processes and in determining whether and how resources can be deployed and redeployed as priorities shift.
--

- Greater responsiveness and agility so as to be able to deliver Member priorities.
- Greater focus on locality and local services.
- Employing people locally, using this in support of economic growth (e.g. apprenticeships), being more accessible and visible and foster the spirit of communities.
- Much better definition between Policy and high-level strategy on the one hand and delivery on the other. More defined control.
- Opportunity to group services to accelerate efficiencies, by identifying synergies between certain services before moving and re-defining services.
- Being responsive and business-like – adopting a more commercial mindset when considering engagement with businesses, residents and key stakeholders, ensuring a cost recovery approach is implemented whenever possible to maximise service efficiencies.
- Better focus and ability to drive the sustainability agendas of all Councils.

4. Are there any external considerations? (e.g. Legislation/government directives)

Services that are proposed to transfer from Publica back into the Council will be statutory services and therefore a smooth transition with minimal impact to BAU is required.
