

Potential Bus Stop on Meadow Way

Notes:

1. Do not scale from this drawing. All dimensions are in metres, unless stated otherwise.
2. This drawing is based on the architect's layout by Kendall Kingscott, drawing number 250164-1305 Rev P03, dated 22.08.25.
3. The topographical survey was received within the architects layout.
4. Drawing to be read in conjunction with all other drawings. Any discrepancies are to be reported to the engineer 5 working days in advance of undertaking any work.
5. The layout is subject to detailed design, capacity testing, ground investigations & earth modelling, road safety audit, utilities & services and confirmation of land ownership.
6. Use of the drawing does not absolve the client from their responsibilities in regards to health & safety and CDM regulations.
7. The applicant should undertake all necessary checks to ensure all visibility splays and necessary works can be accommodated within the adopted highway or land controlled by the applicant.

Key:

2.4m x 43m Visibility Splay (30mph)

Potential Bus Stop Location

Potential bus stop

Bus stop shelter to be provided within highway verge in same position as previously located

1:500
