I. Introduction

- 1.1. The Infrastructure Funding Statement (IFS) is an annual report, which provides a summary of all financial and non-financial developer contributions relating to Section 106 Legal Agreements (\$106) and the Community Infrastructure Levy (CIL) collected and spent by Cotswold District Council.
- 1.2. The aim of the IFS is to increase transparency by providing a statement of accounts per calendar year. The report has therefore been kept succinct and factual.
- 1.3. This report covers the period I April 2022 to 31 March 2023, which is referred to as '2022/23' in this report.
- 1.4. As required by the CIL regulations (paragraph 121A Ia), it also includes a statement of infrastructure projects that Cotswold District Council expects to be wholly or partly funded by CIL called 'The Infrastructure List'.
- 1.5. This IFS only contains information on infrastructure funding collected and spent by Cotswold District Council and should be read in conjunction with Gloucestershire County Council's Infrastructure Funding Statement to get a full picture of infrastructure funding that is collected and spent in Cotswold District.
- 1.6. For more information on CIL collection and spending, please see our website www.cotswold.gov.uk/CIL.

2. Infrastructure List

- 2.1. The Infrastructure List, which can be found in Table 1 on the next page, is a continuation of last year's list. All projects on the list were identified in the Cotswold <u>District Local Plan 2011-2031</u> as critical to the delivery of the local plan.
- 2.2. Projects on the list are shown in alphabetical order by Parish.
- 2.3. Cotswold District Council is the custodian of the CIL funds, but is not responsible for the delivery of the projects. Partnership working with Gloucestershire County Council (which is the highways, education and lead local flood authority) will be required to deliver the infrastructure needed to support development in Cotswold District.
- 2.4. Infrastructure providers are able to request funding to deliver projects once a year. The first invitation for bids was launched in March 2023, with a decision on spending expected to be made in the summer of the same year. 10% of funds available have been set aside for infrastructure projects that help deliver actions related to the Council's Climate and Ecological Emergencies. The remaining 90% of available funds will be spent on projects aimed at delivering essential and critical infrastructure identified in Cotswold District Council's adopted Local Plan. More information can be found on the Council's CIL pages.
- 2.5. Although the Infrastructure List does not have the same legal restrictions as the regulation 123 list, the Council does not anticipate requesting \$106 financial obligations for the infrastructure projects on the list.
- 2.6. Cotswold District's Infrastructure Delivery Plan (IDP) identifies all critical and essential infrastructure projects to deliver the Cotswold District Local Plan 2011-2031. The IDP is currently being reviewed in light of the Cotswold District Local Plan 2011-2031 review. The Infrastructure List will take into account any changes identified in the IDP review.

3. CIL Report

- 3.1. The total value of CIL set out in all demand notices issued in 2022/23 was £1,958,874.50 as shown in Appendix A.
- 3.2. A total of £1,581,247.85 was collected from CIL receipts as shown in Appendix B. A breakdown of this total can be found in Table 2 below.
- 3.3. The difference between the amount raised in demand notices and the amount actually collected is due to the CIL instalment policy. CIL payments are paid by instalments spread over time to assist the viability of developments. The instalment policy can be found on the Council's website.

| Components of CIL receipts | Amount (£) |
|---|--------------|
| Administration (5%) | 79,062.45 |
| Neighbourhood contribution (15% or 25%) | 261,103.61 |
| Strategic Infrastructure Fund | 1,241,081.79 |
| Total | 1,581,247.85 |

Table 2 – Breakdown of CIL receipts collected in 2022/23

- 3.4. The total amount of CIL expenditure for 2022/23 spent on administrative expenses pursuant to regulation 61 was £79,062.45 (5%). There was no expenditure from the Strategic Infrastructure Fund and no CIL receipts from the current nor previous years were allocated but not spent. A call for bids was launched in March 2023 and it is anticipated that there will be expenditure from the Strategic Infrastructure Fund in the 2023/24 financial year.
- 3.5. The total amount of Neighbourhood CIL passed to town/parish councils under regulation 59A was £193,012.22 as shown in Appendix C. Please see our website for individual spending reports submitting by the town/parish councils, although we have provided a summary of expenditure we are aware of to date in Appendix D. No funds were requested under regulation 59E (return of unspent funds).
- 3.6. The Council retained £1,991,618.04 of CIL receipts at the end of the reported year. This consisted of £1,241,081.79 collected during 2022/23 and £750,506.17 collected in previous years. Please note that last year's IFS noted a final balance of £750,536.25, however, a small neighbourhood CIL payment to Weston Subedge was missed, which has been corrected in this financial year.

3.7. The Council granted a total of £2,047,757.96 of relief from paying CIL as per part 6 of the CIL regulations 2010 as amended. This consisted of £1,107,988.79 of self-build housing relief, £608,381.74 of residential extension relief, £197,259.43 of residential annex relief, £114,632.29 of social housing relief and £19,495.71 of charitable relief. The requirements for receiving the reliefs above are set in national legislation. The Council does not have any discretionary powers to amend these.
