11	22/04303/FUL (Berry Bank Main Road Oddington Moreton-in-Marsh)	ONE ADDITIONAL THIRD PARTY COMMENT OF OBJECTION RECEIVED, SUMMARISED AS FOLLOWS: <ul style="list-style-type: none">• Development been slowly growing, increasing in size and capacity since early 2022, occurred through both permitted development and retrospective planning• Amphitheatre continues to increase in size, concern it will progressively grow into the future using both retrospective and permitted development. Where will development end?• Noise generated by many of the acts becoming disturbing. As well as performances, rehearsals taking place before public event. Level of disturbance is far greater than underlying traffic noise.• Development not in keeping with the character of the area of outstanding natural beauty. Impact on local area in terms of traffic, noise and effect on wildlife needs to be carefully considered• If planning granted, suggest a cap placed on number of events allowed per year. Cap to include both public and private events.• Further development be carefully considered
