Councillor Daryl Corps to Councillor Joe Harris, Leader of the Council

Can I ask on behalf of the residents of Moreton in Marsh and the surrounding villages of Bourton on the Hill, Batsford, Lower Lemmington and Dorn that you agree to and support the recommendations from the Overview and Scrutiny committee that Moreton in Marsh needs and deserves the setting up of a working group to look at in depth the Infrastructure requirements for the Town in light of any new Development. Such harm has been done in the past and the people of Moreton in Marsh look to you today to please do the right thing, so we can plan a green to the core future, a sustainable future for any new development.

Can we go further and look at a Masterplan for the Town, as it is the largest in the North Cotswolds and second to Cirencester, that has one.

Thank you on behalf of Moreton in Marsh West Ward.
